Groups will be 1 ½ hours in length.

BCEA does our best to provide clinicians who uphold our philosophy and mission statement. If your clinic experience is not meeting your expectations, we encourage you to discuss your concerns with the onsite BCEA representative (Debbie Dorosh) after your first session. Please do not bother the property owners with any concerns unless you have first discussed them with BCEA (the organizers of this clinic).

If you have any medical concerns that we should be aware of please indicate this with your entry and advise the onsite representative BEFORE you get on your horse.
