

## BC EVENTING ENHANCEMENT FUND

The Enhancement Fund is annually supported by BCEA memberships and competition rides. \$15.00 from every membership is dedicated to the fund as is \$5.00 from every ride, in all divisions, in every recognized competition in BC.

Each year the fund is distributed as follows:

- 50% of the Enhancement Fund goes to cross country course maintenance and development (divided equally between all event venues in BC)
- 35% goes to the annual BCEA Championships for divisions Pre-entry to Preliminary in the form of prizes and awards and for partial support of the BCEA Year End awards prizes.
- 5% goes to the Championships host organizer (max \$2000) to offset the cost of extra officials, cross country course additions etc.
- 10% goes to BCEA Education committee to support education programs such as the BCEA Spring Series Clinics
